Terms and conditions

Sponsor package: 2500,00 €.

Exhibitor package: 990,00 €.

Discount

10% special discount available for all members of our non-profit organization FnBB e.V. / GERBIO upon request.

By placing the order, the sponsor or exhibitor recognizes all the terms and conditions. The customer must ensure that the persons employed by him at the exhibition also comply with the conditions, regulations and guidelines. The order is binding. **All prices are subject to 19% VAT.** The participation fee for sponsors and exhibitors is to be paid within 14 days after receipt of invoice and without deduction.

Stand size, equipment, stand representative

The floor space included in the package is of 6 m². Additional floor space can be booked individually as needed. Sponsors and exhibitors must declare their binding stand representative. Each exhibitor gets 1 table (140 x 70 cm), 2 chairs and electricity. Further required materials - e.g. stand / partition walls, power supply cables, etc. have to be brought by the exhibitors. The registered stand supervisor will receive the same benefits as other conference participants. The terms of participation and business conditions applicable to the conference also apply to the exhibitors and services in connection with the exhibition stands.

Payment obligations

If the sponsor or exhibitor fails to meet his payment obligations on time, the conference office reserves the right to refuse execution of the contract after a reasonable period has expired. The conference office may make use of the exhibition space in a different manner and claim damages.

Registration deadline / contract withdrawal / non-participation

Sponsors: If a sponsor withdraws from the contract, a processing fee of € 990,00 plus VAT will be charged.

Exhibitor: If an exhibitor withdraws from the contract up to 10 weeks before the start of the event, a processing fee of 250,00 € plus VAT will be charged.

If this deadline is not met, the full exhibition fee will be charged. Stands, which are not visibly occupied on October 10, 2022 by 6 pm at the latest may be utilised differently. Please let us know beforehand if you plan to set up your stand later than 5 pm.

Assembly and dismantling of the exhibition stands

The assembly and dismantling of the exhibition stands is carried out by the sponsor / exhibitor or by their representatives and must take place in compliance with the building and fire regulations. Light, junction boxes, cable termination branches for telephone connections and all other connection options, as well as entrances and exits must stay accessible.

The design of the stand is left to the sponsor in compliance with all contractual conditions. The exhibition booth must be adapted to the overall plan of the exhibition. The stand should be staffed properly and with expert staff throughout the duration of the conference.

Dismantling will take place on Wednesday, October 12 from 4 pm and must be finished no later than 6 pm. Prior to the official dismantling date, the sponsor / exhibitor is not entitled to remove exhibition displays from the stand or to start dismantling the stand. The exhibition area is to be left swept clean. Adhesive tapes and similar objects must be removed. The waste is to be removed by the sponsor / exhibitor after the end of the event. Any cleaning or waste disposal costs are charged to the sponsor / exhibitor.

The hygiene concept developed according to the actual Corona-Regulation of Baden-Württemberg at the moment to assemble the stand should be followed.

Liability

The sponsor / exhibitor shall be liable for any damage incurred during the construction or dismantling of the exhibition stand in the facilities of the Neubausaal - Schwäbisch Hall. The organizer takes no obligation or warranty for property and possession of the sponsor or exhibitor and excludes all liability for damages and loss.

Cancellation of the event

If the International Conference "Progress in Biomethane Mobility" has to be canceled or postponed for unforeseeable reasons, already paid fees will be refunded. Further claims are excluded. Program is subject to change.

Validity and jurisdiction

The invalidity of individual clauses does not result in the ineffectiveness of the entire contract. Place of performance for both parties is Schwäbisch Hall. Jurisdiction is Langenburg. German law applies.
